

5K RUN/WALK TO SUPPORT OUR YOUTH

Spring Into Action

Youth today are dealing with stress, pressure and anxiety about their health, safety and future, more than ever before. The YAB 5K is being planned by the BBCC's Youth Action Board (YAB) students to raise awareness for teen substance use and abuse. This is a dynamic and diverse group of teens that wants to bring about a positive change for their peers. You can help them save lives and your community's youth -- join the YAB 5K today!!
